

Whole Class Teaching of the Ukulele – Year 4

We are really proud to be able to offer whole class teaching of the ukulele in Year 4. These weekly lessons are led by our guitar teacher Mr. Reed and the children love them! Children are then offered the opportunity to continue to learn the ukulele in Years 5 and 6.

We are especially excited this year as Class 4G and our Year 5 ukulele students have been asked to play in the Ukulele Gala Concert organised by the Birmingham Music Service, in the Symphony Hall at the end of the summer term.

We would like to thank the Birmingham Music Service for offering us this opportunity under their Wider Opportunities Scheme.
